DECEMBER 2018

Thursday	6 th	Stockport	SK5 6HQ
Tuesday	18 th	Scotland	PH1 3UQ
No course this month in London			SE23 1AH
No course this month in N. Ireland			BT28 2BU

This course is designed to provide you with the necessary foundation knowledge which will enable you to keep yourself and colleagues safe and healthy whilst undertaking the job of cleaning windows.

Written by window cleaners for window cleaners – this one-day IOSH (Institution of Occupational Safety & Health) accredited Health & Safety course covers both the use of water fed poles and portable ladders.

It's a no-nonsense – hands on practical and theory course with an IOSH certificate at the end; giving you an industry recognised lifetime qualification which will help you or your organisation comply with legislative training requirements.

COMMENTS:

'It's a good course for anyone trying to set up a business, or has just started window cleaning'

'A very useful course which should be a pre-requisite for any serious window cleaner, the course content is very relevant'

A very helpful course just what I needed; now looking forward to doing the Risk Assessment course.

“Risk Assessment “ For cleaning windows, gutters and external facades

COURSE DATES & VENUES

OCTOBER 2018

Thursday	18 th	London	SE23 1AH
Thursday	25 th	Stockport	SK5 6HQ
Tuesday	24 th	Scotland	PH1 3UQ

NOVEMBER 2018

Wednesday	21 st	Scotland	PH1 3UQ
Thursday	22 nd	Stockport	SK5 6HQ
Thursday	22 nd	London	SE23 1AH

DECEMBER 2018

Wednesday	19 th	Scotland	PH1 3UQ
No course this month in Stockport			SK5 6HQ
No course this month in London			SE23 1AH

This one day IOSH accredited Risk Assessment for cleaning windows; guttering and external facades training course was designed by experienced Window Cleaners and is delivered by experienced window cleaners who have obtained the suitable health and safety knowledge and qualifications.

This one-day Risk Assessment training course for Cleaning Windows, Gutters and external facades will:

- Identify any applicable legislation;
- Discuss what to look for;
- Show you how to put controls in place;
- Show you how to draft out the risk assessments.

In addition to some examples in the paperwork of generic risk assessments, method statements are also looked at.

The course is aimed at everyone within the window and specialist cleaning industry, specifically self-employed, employees, supervisors, managers and safety officers.

COMMENTS:

'Excellent and informative course that met my objectives and more – I would recommend this course to others'

COURSE COSTS & WHATS INCLUDED

£135.00 + VAT for members - £185.00 + VAT for non-members

Free caution sticker for every candidate - Lifetime certificate - Light lunch on the day

Please Note: It is essential due to the written element of both these courses, that all candidates sitting either course are able to speak and understand English. With respect Tutors are unable to accommodate non-English speaking candidates booked without prior notice - who then struggle to complete the course because they do not understand English. We also reserve the right to refuse a refund.

Anyone with specific learning difficulties please contact the FWC in advance to check that arrangements can be put in place to accommodate them.

Spaces are limited so early booking is recommended. Discount may be offered on number of employees booked on same course
